FOR IMMEDIATE RELEASE:

HRSS Consulting Group was awarded a 10-year Blanket Purchase Agreement (BPA) from the USDA, Forest Services as a primary government contractor. The Forest Service is actively encouraging cultural transformation and a safe place for individual development. HRSS Consulting Group will be providing group facilitation, teambuilding and coaching services to Region 6 Forest employees at all levels. The objective is to ensure that the Forest Service is a place where employees are culturally diverse, adaptable to changing technology and responsive to shifting public expectations.

HRSS Consulting Group created four new positions to support this contract.

HRSS Consulting Group is a certified HUBZone, Woman-Owned and Veteran-Owned Small Business. As a professional services company, HRSS specializes in working with proactive organizations across the U.S. to solve tough organizational problems through human relations strategies and solutions that drive organizational effectiveness, improve performance and support sustainable, profitable growth.

HRSS Consulting Group's mission has been the same since it served its first client in 2009 – providing people driven business results that create a positive impact on the bottom line of the organization.
